

# Rural Water Supply Operations

**Saturday July 18th**

**0900 - 1700**

**Mineral Springs FD**

This 1-day class will be hands-on and will cover the following areas:

- Water points
- Dry hydrants
- Relay pumping
- DOI water haul drill

Each Department is encouraged to attend as this session can serve as ISO credit for mutual aid training and practice of performing water haul operations

PPE Required

Pre-registration required by July 14th
